WORD'S BY DEEPIKA MA'AM @ INFINITY THINK BEYOND

Dear Students and Parents,

I discovered my love for teaching during my college years, driven by a deep passion for sharing knowledge with others. This ignited my journey into the world of education, starting from the days of my undergraduate studies.

In 2009, I embarked on my journey as a passionate enthusiast of mathematics. Four years later, in 2013, I fulfilled my dream of establishing my own coaching institute. Today, as I reflect on this path, I am overwhelmed with pride and gratitude.

With a **Bachelor's degree**, followed by a **Master's in Mathematics** from **Delhi University** and culminating in an **MPhil in Statistics**, my academic journey has been guided by an insatiable thirst for knowledge and a relentless commitment to the field of mathematics.

At our institute, we believe in nurturing not only mathematical proficiency but also critical thinking skills, problem-solving abilities, and a growth mindset. Through innovative teaching methods, personalized attention, and a supportive learning environment, we aim to empower our students to excel not just academically but also in life.

As we look ahead, our dedication remains steadfast. We continue to evolve, adapt, and innovate to meet the evolving needs of our students and the challenges of an ever-changing world. Together, let us continue to explore the boundless possibilities of mathematics and inspire a new generation of mathematical thinkers.

Thank you for entrusting us with your mathematical journey. Here's to many more years of learning, growth, and success.

Warm regards,
Deepika Bhati (Passionate Maths Teacher since 2009)

OUR MISSION & VISION

Mission

INFINITY is committed to Total Quality Coaching, with Consistency in delivering the Best Possible Education to our Students. We uphold the Highest Ethical Standards & believe in creating New Benchmarks in the Coaching field.
Honesty in Teaching is our Policy.

Vision

To Impart the Best Possible Education to Our Students using Latest Technologies & Effective Coaching Methods. To Provide the Complete Solution to our Students at one place. To Strive for the Success of our Students. To Enable them to become Confident & Successful in their lives

WHY CHOOSE INFINITY

Expert Faculty:

Our institute boasts highly qualified and experienced faculty members who are experts in their respective fields. They are dedicated to providing top-notch coaching and guidance to help you excel in your CBSE exams.

Comprehensive Curriculum:

Our coaching program is designed to cover the entire CBSE syllabus comprehensively. We provide in-depth coverage of all subjects, ensuring that you have a strong foundation in each topic.

Exam-oriented Approach:

We understand the importance of scoring well in CBSE exams. Our coaching methodology is tailored to help students understand the exam pattern, tackle challenging questions, and develop effective study strategies to maximize their scores.

Small Batch Sizes:

We maintain small batch sizes to ensure personalized attention and support for each student. This enables our faculty to address individual learning needs and provide customized guidance as required.

Regular Assessments and Feedback:

To track your progress and performance, we conduct regular assessments and provide constructive feedback to help you identify your strengths and areas for improvement. This allows for continuous refinement of your study approach.

Resourceful Study Material:

In addition to classroom teaching, we provide comprehensive study material, including textbooks, practice papers, and reference materials, to supplement your learning and reinforce key concepts.

Holistic Development:

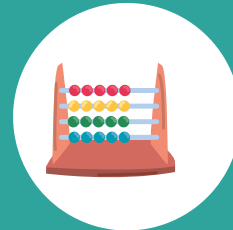

At INFINITY, we believe in holistic development. Along with academic excellence, we also focus on enhancing students' critical thinking skills, problem-solving abilities, and communication skills, which are essential for overall growth and success.
